CLASS 1 Riesling

Judges comments: A good class with varying styles - the gold shows excellent length and the silvers generous fruit. Several wines were too broad and/or phenolic.

CLASS 3 Chardonnay with or without oak

Judges comments: Young wines that perhaps will benefit from some time in the bottle. The real question mark is over fruit intensity and concentration.

No.	Code	Company	Name	Year	Award	Points

CLASS 5 Non-Aromatic Whites, e.g. Viognier, Pinot Gris, and other blends

Judges comments: Fair quality, with a lack of highlights. The best wines showed varietal fruit with delicacy. Pinot Gris/Grigio is often unforgiving, as minor faults and strong working become very apparent.

CLASS 6 Sweet White

Judges comments: A varied class of well made wines with appealing flavour. Complexity is the missing ingredient.

CLASS 30 Cabernet Sauvignon

Judges comments: Disappointing class - where is the right fruit, the structure, the definition, the cassis flavours of good cabernet? Much more work needed in the vineyard.

CLASS 31 Other Single Varietal Red Wines

Judges comments: An encouraging class for emerging varieties and some strength from traditionals. Two great examples. Bret, VA, excessive alcohol and insufficient fruit to match tannins were sometimes issues.
