## CLASS 17 Shiraz

### Judges Comments:

Great class of wines, with a large range of styles. Best wines had extract without harshness. Many well balanced bronzes, wines with suppleness, sweet midpalate fruit featured in these wines. Occasional issues with sulphites.

Varied and variable. Tempranillo is rapidly coming along as vineyards mature. Too many wines showed stewed, cooked fruit characters, lacking freshness and vibrancy.

## CLASS 30 Cabernet Sauvignon

### Judges Comments:

Disappointing class with the main problems being lack of concentration, hard acidity and absence of varietal character. We expected better and encourage exhibitors to put the work into the vineyard.

## CLASS 32 Red Blends

### Judges Comments:

Good class with only one real highlight; however, some wines too firm, too acidic, or too oaky with not enough fruit.

### Judges Comments:

Potential best wine in class ruined by cork taint - an excellent reason, if one was needed, to switch to screw caps. Excessive sweetness and lack of complexity held back others, while the best had spirit, fruit, and extract in balance.
